Three Ways You Can Help
Your Child Avoid Lead Poisoning
in Minnesota

FOUR KEY PROBLEMS
If pregnant? you should know...

EL SALVADOR

COLUMBIA

Table with various brochures and pamphlets, including a stack of 'Little Book of Lead Poisoning' and other informational materials.

Tips to Protect Children from Environmental Risks

5. Avoid lead paint and lead-based paint products...

4. Avoid mold and water damage...

3. Avoid asbestos...

2. Avoid radon...

1. Avoid pesticides...

DULCES TÓXICOS

**Have More Kids Get Help!
End Childhood Lead Poisoning
in Massachusetts!**

1. Test your home for lead
2. Get your child tested for lead
3. Get your child treated for lead

ACID ACID PROTESTS

**Pragmatism?
you should know!**

It is an unfortunate reality that many people are still unaware of the dangers of acid rain. The good news is that you can take steps to protect your family and your property.

We get the facts on acid rain and you can help us change the way we think about acid rain.
