

The California Healthy Housing Coalition

National Learning Community: State-Level Approaches to Healthy Housing Policy

California Healthy Housing Coalition

- Diverse, multi-sector coalition
 - Complementary roles of CBOs and Agencies
- Mission to provide leadership to promote healthy, safe, energy efficient, and affordable housing for all residents in California, with particular focus on the needs of low income communities and communities of color.

GOALS AND PRINCIPLES

- Provide resources, expertise, and advocacy for statewide policies and practices to promote and protect healthy housing.
- Focus on equity for low income communities and communities of color, children, the elderly and other vulnerable populations.

Policy Success

- Bills signed in 2013 and 2014
- Two bills introduced in 2015

National Learning Community

- Identify groups interested or experienced in state-level approaches to healthy housing
- Share models, strategies, challenges, and policies for state-level healthy housing advocacy
- Build capacity and support for implementing state-level approaches to healthy housing

Kick Off – July 2015
