Reference: Lead-Based Paint Renovation, Repair and Painting Course Renewal for 2013

Dear Ms. Aceti:

The Health Hazards Control Unit (HHCU) has received your Renovation, Repair and Painting Training Course Accreditation Renewal Application and the Training Provider Accreditation Application. The renewal application was found to be complete, and the following courses have been renewed for the calendar year 2013.

**Lead-Based Paint Safety for Renovation, Repair and Painting – Initial
Lead-Based Paint Safety for Renovation, Repair and Painting Spanish - Initial**

Please keep in mind, our Rules requires that training course providers shall notify the Program in writing at least 10 working days prior to the scheduled course start date, of any changes to the course length, training methods, training certificate, or training course manager.

If you have any questions, please contact Sabas Martinez or myself at (919) 707-5950.

Sincerely,

James M. Lueck
Technical Trainer
Health Hazards Control Unit
