RE: Approval as a Lead-Safe Renovator Approval # TL125

Dear Patrick MacRoy:

The Ohio Department of Health (ODH) has reviewed your Lead Training Program Application for the **Lead-Safe Renovator** training course. Based on the submitted material this course has been found to meet all of the criteria for approval as specified in Chapters 3701-32 of the Ohio Administrative Code (O.A.C.).

O.A.C. 3701-32-16.2 (A)(3)(c) requires you to submit a training program prior notification to ODH of the scheduled training courses at least ten business days, or three business days if using the online notification system, prior to the commencement of any approved training course. If there is any change training program notification that would render the information on the notification no longer accurate you are required to submit a revised training program prior notification.

This approval may be revoked by the Director of Health for violating the requirements of O.A.C Chapters 3701-32.

Your course approval will expire on **4/19/2013**.

If you have any questions regarding your approval contact the Lead Poisoning Prevention Program at 877-668-5323.

Sincerely,

A handwritten signature in blue ink, appearing to read "D.E. Holston".

David E. Holston, Chief  
Environmental Abatement Section  
Division of Quality Assurance
